UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA

ABRAHAM BIELSKI, DZHURA
BINYAMINOV, and AURYAN SAJJADI,

No. C 21-07478 WHA

Plaintiffs,

v.

COINBASE, INC.,

ORDER RE STATUS REPORT

Defendant.

The judge has reviewed the status report and is amenable to the request to provide another joint status report within fourteen days of our court of appeals' order on plaintiff Abraham Bielski's petition in lieu of a discovery plan and the like (Dkt. No. 144).

The obvious question is whether or not plaintiffs Dzhura Binyaminov and Auryan Sajjadi can distinguish the recent opinion of our court of appeals, which issued after defendant's motions to compel arbitration of and, alternatively, dismiss their claims were fully briefed. The parties should meet and confer on a proposed plan to get to the heart of the matter expeditiously and include that proposed plan in the forthcoming joint status report.

IT IS SO ORDERED.

Dated: December 28, 2023.

WILLIAM ALSUP
UNITED STATES DISTRICT JUDGE
